

We are calling **all women** to join [Million Women Rise](#) on **Saturday 6th March 2010** in central London to celebrate the **100 years Anniversary of International Women's Day** and to demonstrate against male violence. Our theme for 2010 is **End the RAPE of Women, End the RAPE of our Earth**. We encourage women to wear red, and/or green. Please send this email far and wide – to all the women you know and all of the mailing lists you are on.

"We are at a threshold. We are going to see change. If we can create the vision in our heart, it will spread. As women of wisdom we cannot be divided. As bringers of light, we have no choice but to join together" Agness Baker Pilgrim (Grandmothers Council)
